SAILING INSTRUCTIONS

Three races. First warning at 1300. Races start at **S** mark unless wind is predicted from the NW or SE. If it is, we will start at **K**. If the fleet will start at S but the wind has shifted to the NW or SE, or if the fleet is at **K** but the wind is not from NW or SE, flag **R** will be raised (beep) until the first warning, and that race will be scored with RLC ratings instead of BUOY ratings. The start/finish mark won't be moved. The 2nd and 3rd races will start right after the last finish. The start order for all races is PHRF-A (flag **A**), PHRF-B (flag **B**) and Mariner (flag **M**). Course numbers will be on a black banner. After a general recall (RRS 29.2), expect I flag (RRS 30.1). **N** flag = No more races today. Start and finish between flagship's orange flag and flag or spar. Don't cross the start line after 1st **P** flag goes up until your **P** flag goes up. Start line is then unrestricted until you have finished. Don't cross the finish line after finishing. Keep all rounding marks to port, except those with subscript **S** in two Mariner courses.
