SCORING (From NOR)

Female skippers starting at least two races qualify for series scoring. Nonstarters (DNC or DNS) will receive one point more than the number of qualifiers. If no race is canceled, one score is thrown out. The sum of remaining race scores will be compared in each class.

Only one series take-home trophy will be awarded in each class, and those winners will be engraved on the June Cup Perpetual Trophy. If there is a tie for first in any class, the sum of scores (including male skippers) will be compared with no throwout.

Scores in boldface italics are thrown out not needed)
